Subject: **ATCG Follow up Peer Evaluation**

Dear Mrs. Krulanovic,

During the 55th EA Multilateral Agreement Council (MAC) meeting held on 30 September 2026 in Roissy-En-France, France, the outcome of the follow up peer evaluation of ATCG performed between 10th of March and 12th of March 2026 was subject to decision by the Council.

The decision is transcribed below:

Based on the peer evaluation report (follow up) and the report provided by the TFG appointed to review the evaluation report the EA MAC decides that ATCG remains an EA MLA signatory in the fields of Calibration (EN ISO/IEC 17025), Testing (EN ISO/IEC 17025) including Medical Examinations (EN ISO 15189), Inspection (EN ISO/IEC 17020), Product Certification (EN ISO/IEC 17065).

The next full re-evaluation shall take place in November 2028 (considering the standard 4 years intervals from the initial evaluation).

This decision is valid from 30th of September 2026.

We would like to congratulate you for this achievement.

Kind regards,
